Beverly Trade School

BEVERLY HIGH SCHOOL BEVERLY, MASSACHUSETTS

To the Graduates of 1956:

With a bow to your excellent choice of charm bracelets as the bracelets as

With a bow to your excellent choice of charm bracelets as the is memoral for your excellent choice of charm bracelets as the is the product of that such a bracelet is recard memoral that such a such a lift for it recards to the charms on production of the charms on production. There is the production of the past. For example, there children and grandchildren ries of the past. For each of her children and grandchildren and who has a charm for each of her children and grandchildren.

I truly hope that your imaginary bracelets will carry many High classes, at more remind you of happy experiences, stimulating able which will ever remind you of favorite teachers, a memorable which will ever remind you of favorite funny innumerable other high school: very special friends, a very funny innumerable other high some outstanding achievement, a dance, or innumerable other high some outstanding an unforgettable you.

May each of you find life to be a high adventure, and may you continue to add bright, beautiful, distinctive charms to your brace-lets of memory.

Willand H. Smiths lets of memory.

CLASS SONG

Words by Donald Smith Music by Frederick Myer

All the joys at Beverly High
That were ours these three years past —
All the pleasant times we had
Will fade: they cannot last,
But memory can hold them dear.

The patterns we have woven here In friendship, work and play Have made a tapestry so bright Of triumphs to display:
But greater yet, an insight clear.

Tomorrow we must take as ours The mighty challenge of our land; Yet confident we sing today A call we understand: "Today Decides Tomorrow."

Senior Done Most for B.H.S. FRANK CARBONE MARY LOU BUNK Most Likely to Succeed FRANK BELL JUDY ALBERT Most Mischievous DANNY MURPHY PAT HENNESSY

Superlatives

The Class

As Sophomores we broke into the theatrical world with "Junior Miss," as seen in this first picture, which won first prize in Drama Night, 1953. Sallie Boyson, our star, is shown accepting the award. Winning the competition is a unique achievement for Sophomores. Another highlight of our Sophomore year was our first dealing with politics which proved successful with the election of Harry Ball, President; Bill Gobeille, Vice President; Irene Manzi, Secretary; and Marylou Bunk, Treasurer. As newcomers to the "game" we listened intently to everything, as seen in the fourth picture, even the perplexing Latin.

As Jaunty Juniors

Our play in the Junior year, "The Devil and Miss Appleby," if presented on Broadway, would surely have been a hit, especially with Roger Litka, the best actor, as the Devil. Congratulations are due to James Leahy, who received the Chemistry award. The result of the Juniors' second trip to the polls was the election of Harry Ball, President; Frey Myer, Vice President; Irene Manzi, Secretary; and Marylou Bunk, Treasurer; whom we see in the lower right-hand corner. As in the past years, two boys and two girls, Sallie Boyson, Debbie Wetmore, Bill Gobeille, and Fred Myer, were chosen to act as Marshals for the Senior graduation.

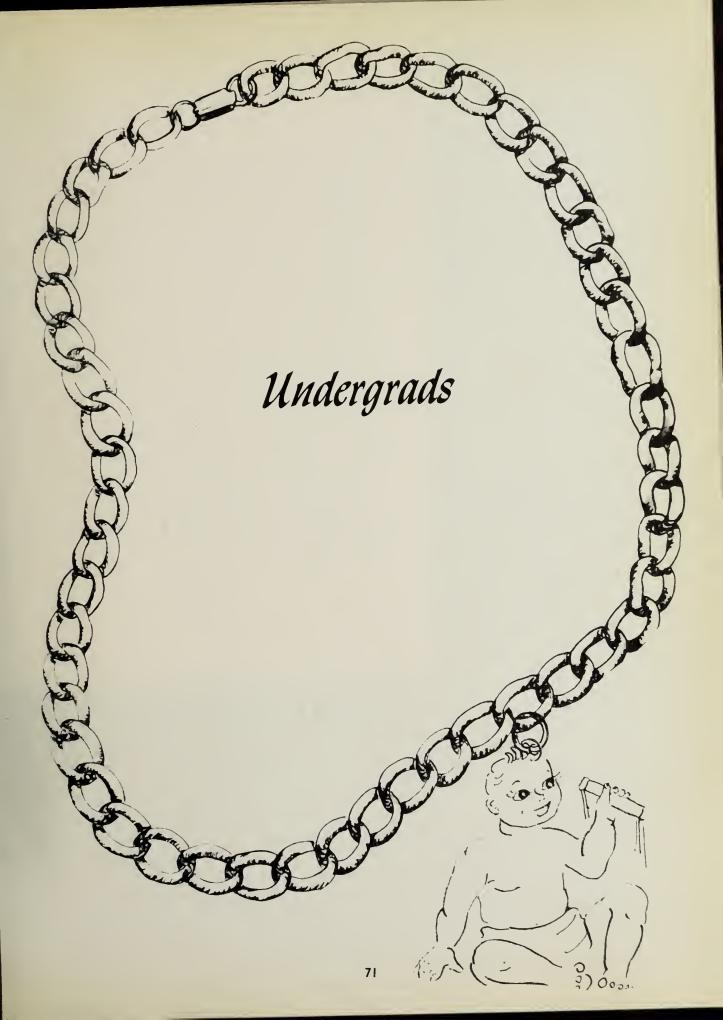

As Sophisticated Seniors

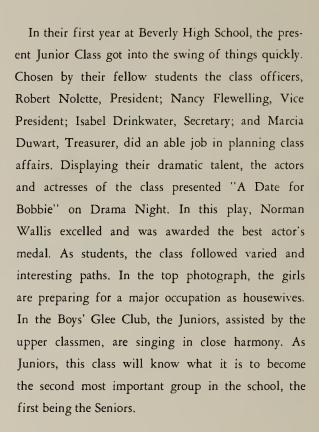

The Seniors find that pleasures go hand in hand with studies. The Class of '56 are hard at work at our history, but judging from the grins, not much Muzzey will be outlined this period! Joy was of great abundance at Drama Night in 1956 as the upperclass showed our true winning colors once again. Led by Russell Copeland, we took first prize with the play "Seeds of Suspicion." Back to the old grind once more, as Frank Carbone has no qualms about French. Seniors may be mathematicians in the future, but right now they are ready to "dig the trig" with a little prodding from Miss Hett.

The present Juniors have continued to capably manage their class affairs. At the beginning of this year the class elected their officers: Norman Cressy, President; Bill Scott, Vice President; Ruth MacLeod, Secretary; and Marcia Duwart, Treasurer, who are shown in the second picture from the top. The Junior Class dance was later held to the jingle of the purse strings. The actors, in the top photo, presented the delightful comedy, "Sleep, Baby, Sleep" in Drama Night. To carry on the important business of the class, all the homerooms elected presidents to compose the executive committee, which is shown in the picture on the bottom left. Now the task of preparing for future occupations confronted the class. For instance, the picture at the bottom right shows a busy class of aspiring secretaries. Along with numerous other activities, this class successfully completed their second year, and are hopefully anticipating their chance to be "big wheels."

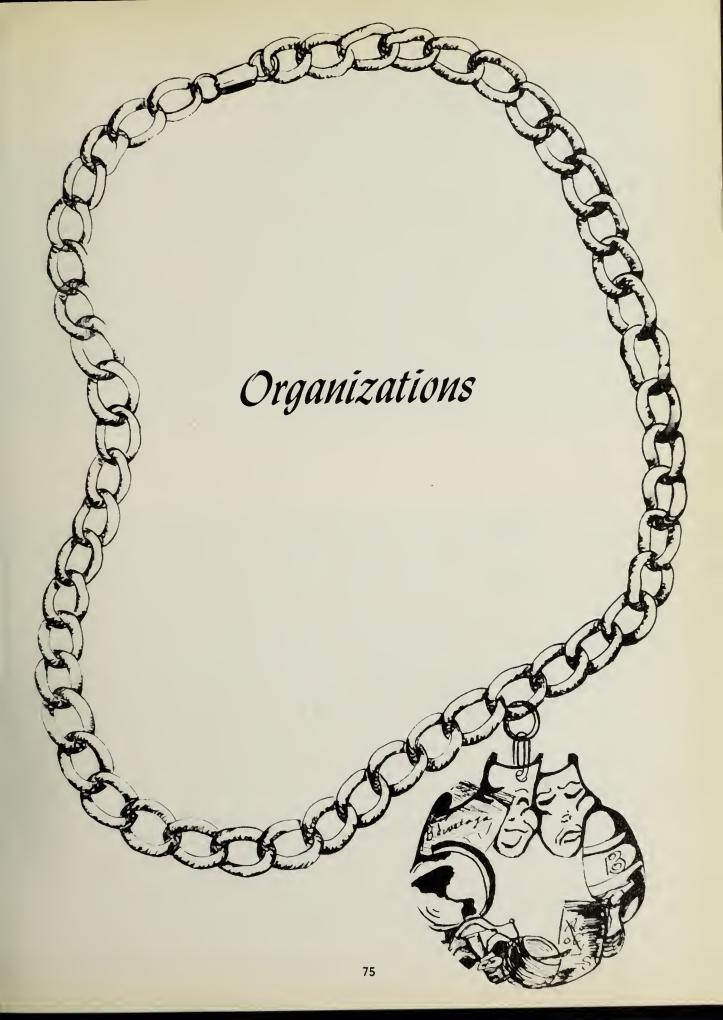

The Class of 1958

The Class of 1958 started off their three-year encampment at B.H.S. with a bang. They presented the theater-goers with a hilarious play, "Ghost Story." The cast, as seen in the first picture, seem to be enjoying themselves. But first things first. To lead their class, they elected Henry Betts, President; Herb Hammond, Vice President; Ellen Corning, Secretary; and Phyllis Albert, Treasurer. Also, to carry on that all-important class business, each homeroom sent its president as a delegate to the executive committee, seen in the bottom picture. The bewildered feeling caused by those uncooperative lockers soon passes as the Sophs "get the hang of it." By December our Sophomores were well established and were looking forward to bigger and better things.

Bever

Needless to say, this is the apple of our eye. Composed of the art, copy, photography, typewriting, advertising, and subscription committees, the BEVERLEGA staff performs a year-long ritual to get the yearbook to press. Because of our creative ability, our literary skill, and our remarkable perseverance, we're "bushed."

An important part of B.H.S. is the Student Council, under the leadership of Mr. Preston, which represents the student body in school affairs. This group of smooth-talking diplomats is composed of representatives from the homerooms and seven members-at-large which are chosen from the membership of the previous year. Forming the legislative body of the school, the group constitutes the future politicians of our era.

Student Council Officers

Student

Council

Student Service

Student Service Corps

Office Aides

Fire Extinguisher Squad

Groups

STUDENT SERVICE CORPS

The Student Service groups, which help us in both extra-curricular and daily activities, are a great asset to B.H.S. Our good-looking ushers and usherettes, whom we find on the job during Drama Night, Parents' Night, and graduation, are members of the Student Service Corps. To help our office staff, our efficient Office-aides act as both receptionists and runners. Judging by the smiles on the faces of the Fire Extinguishers Squad, they will "grin" the fire to extinction. Last but not least, are our valuable Guidance and Library Aides who are not only helping their colleagues, but getting valuable training as well.

Guidance Aides

Library Aides

Aegis

AEGIS OFFICERS

Our quarterly magazine, Aegis, under the direction of Mrs. Corbett, is made up of the finest literary talent in B.H.S. We all look forward to the scented "smear proof" publications of the Aegis.

Aegis Staff

Dramatic Club

Both our future Thespians and make-up artists get their starts in our own B.H.S. Dramatic Club. In addition to the monthly skits performed for Miss Rowe and the other club members, they enter the state Dramatic Competition in March.

Officers

Dramatic Club

French

The French Club is composed of Tres Bons students who have an interest in the French language and customs. Under the sponsorship of the *spirituelle* et *ambitieux* Miss Warren, the French Club, among other things is attempting to help international relations by establishing its own "Comedies Francaise."

National Thespian Society

For our advanced students of Thespis the National Thespian Society offers incentive for the lights of Broadway.

Woodcraft Club

Mr. Winquist and the boys whip up creations that are able to hold their own against anything from Grand Rapids.

Metalworking Club

Judging by their professional-looking wrought iron tables, the capitalists in Mr. Shea's Metalworking Club will be soon "raking in" the cash.

Science Projects Club

With the acquisition of a Geiger counter we imagine that the suppressed desire of Mr. Mills and the Science Club is to go West.

Slide Rule Club

In the Slide Rule Club, Miss Hett does her part to prepare the engineers of tomorrow.

Stage Craft

Sticking doors and unsteady walls hold no qualms for Mr. DeLancey's stage craft boys, as seen by the professional-looking sets we had for Drama Night and the Senior Play.

Projectors' Club

For those pleasant interludes we have in our classrooms or in our assemblies, we owe our thanks to Mr. Jameson's Projectors' Club, who operate the audio and visual aids for the school.

Sportsman's Club

Davy Crockett and Isaac Walton have nothing on the Sportsman's Club enthusiasts, especially with Mr. Root as their guide.

Orchestra

The B.H.S. orchestra, under the direction of Mr. Finnegan, provides an opportunity for the "long hairs" of our school. To highlight the symphonic season, the orchestra helps marshal out the graduates.

Home Economics Club

Through discussion, the homemakers of the future gather valuable tips in the Home Economics Club, sponsored by Miss Cluff.

First Aid Club

In one of our most worthwhile organizations, The First Aid Club, Miss Macowsky's "tourniquet troopers" learn the practical principles of first aid.

Glee Clubs

Girls' Glee Club

To all our aspiring Mario Lanzas and Patrice Munsels, B.H.S. offers the Girls' Glee Club and Mixed Chorus. These groups, with inspiration and encouragement from Miss Mayberry, provide enjoyable assemblies. In the spring the clubs plan to enter the competitive State Music Festival.

Mixed Chorus

Cooperative Council

Parents

Teachers

The Co-operative Council is a comparatively new organization established to discuss pertinent problems of school life and to carry out projects concerning these problems. With Mr. John Page serving as chairman, the Council is composed of a representative group of students, parents, and teachers.

Students

Current Events Club

Regularly under the sponsorship of Mrs. Tinajero in Room 203, the news analysts of Beverly High School gather to discuss the news in the Current Events Club.

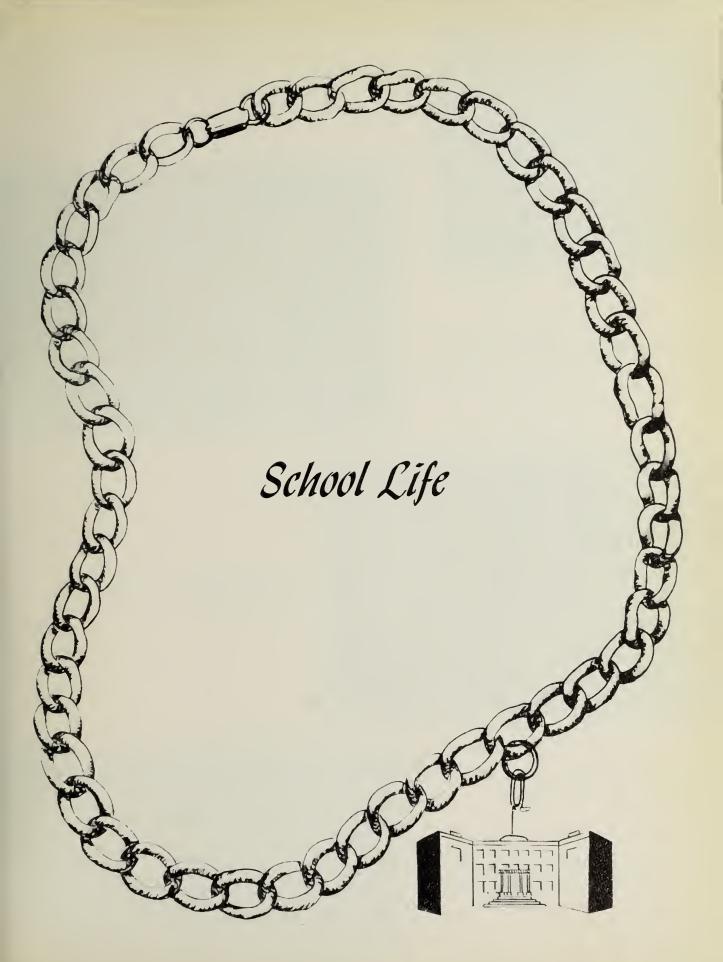

Dance Club

No longer will there be any "wallflowers" at the B.H.S. dances, thanks to Miss Darling's Dance Club.

Auto Drivers' Club

Through the instruction given by Mr. O'Brien in Auto Drivers' Club, B.H.S. feels it is helping to put safe and sane drivers on the road.

Swingin' Don Smith tells all to M. C. Paul Hawthorne at the Aegis Assembly.

At the Thanksgiving pep rally we all witness the hanging of the Salem Witch with our grinning cheerleaders as executioners.

Nancy Hendricks and Sallie Boyson relive the twenties for an amused audience at the *Aegis* Assembly.

There is no denying that "Shorty" will be there to put that smile back on your face.

We are sure the new husband will not have to spend a month at mother's waiting for his new wife to learn how to cook. Are we right, girls?

Office Practice is a step in the right direction to someday playing the role of an efficient "Gal Friday" to a single, handsome, and wealthy executive.

Judging by the looks on their faces, the Senior Dance proved to be an overwhelming success.

Without a doubt our cafeteria slogan is "Eat, Drink, and Be Merry."

At least no one could be guilty of comparing B.H.S. students to camels!

Are you furthering your education? Get your information here.

What happens to the eager faces and early-rising habit found on the first day of school?

B.H.S. can boast a fine library and librarian. No wonder it is a favorite gathering place, especially for Seniors!

Are all those excuses legitimate?

It is from that complicated maze that we get our "B. H. S. News." Congratulations to the printers!

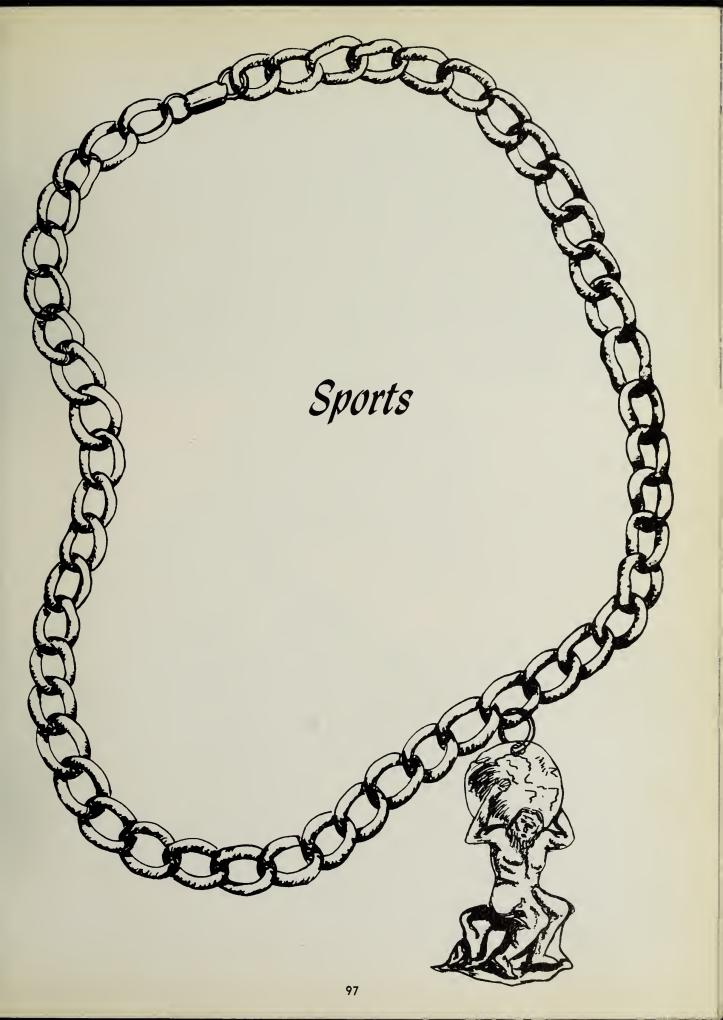

Even Mechanics look perplexed, but give them a little time and that car will be purring like a kitten.

Our carpenters give us a "sneak preview" of their Cape Cod construction.

Band

F. Bell, Co-captain; C. Walsh, Coach; H. Ball, Co-captain

Football

The Beverly High eleven ploughed through another victorious season, finishing the year with a 5-1-1 record. Coach Walsh deserves unlimited credit for turning out these battlers of 1955. For the second successive year, the Golden Warriors, with Frank Bell and Harry Ball as co-captains, captured the prized North Shore Championship. A swift, decisive offense, coupled with a sturdy defense, crumpled the opposition. Later, Harry Ball was awarded a Thom McAn trophy for his outstanding play.

CROSS-COUNTRY

Standing: Jim MacCausland, Don Smith, Paul Finochio, Eddie Tarlow, Bill Perkins, Co-Captain; Ronnie Bradstreet, David Backman, Joseph White, Ronald Tagney. Kneeling, left to right: Paul Hawthorne, Bob Pitman, Johnny Myer, Frank Burns, Co-Captain; Frank Stillson, Russell Grant, Frank Grotto.

Cross

The cross-country squad once again proved themselves made of championship material. Under Coach Taylor and Co-captians Frank Burns and Bill Perkins, the team raced their way to the Essex County Title and the State Class B Championship. Our fleet-footed harriers are the pride of all greyhounds in the area.

F. Burns, Co-captain; G. Taylor, Coach; W. Perkins, Co-captain.

Country

Hockey

Hockey

Co-Captains Jack Beggs and Norm Cressy with Coach Richard Preston.

Basketball

BASKETBALL

Our basketball team, under the tutelege of Coach Taylor and led by co-captains, Russ Rollins and Jim Lawler, has formed an exciting, winning entry to the Essex County Championship race. This team has instilled as much spirit and fire into the fans of Beverly as any other past Garden City quintet. Characterized by a fast-breaking offense and sharp-shooting players, the Beverly team has been near the league leaders all season. A fighting J-V team, coached by Richard Lynch, make the prospects for future success loom as bright as those of this year.

The team that turned the league upside-down — well, halfway at least.

Girls' Intramural Club

The Girls' Intramural Club sponsors activities for our feminine counterparts to encourage participation in athletic games. The girls' eager enthusiasm for sports such as tumbling, badminton, archery, and volleyball is evidenced by these exclusive photos. Perhaps the boys may sometimes make fun of the timid girls, but, without pointing a finger at any of the rugged masculine athletes, how many boys could perform some of the strenuous routines in tumbling?

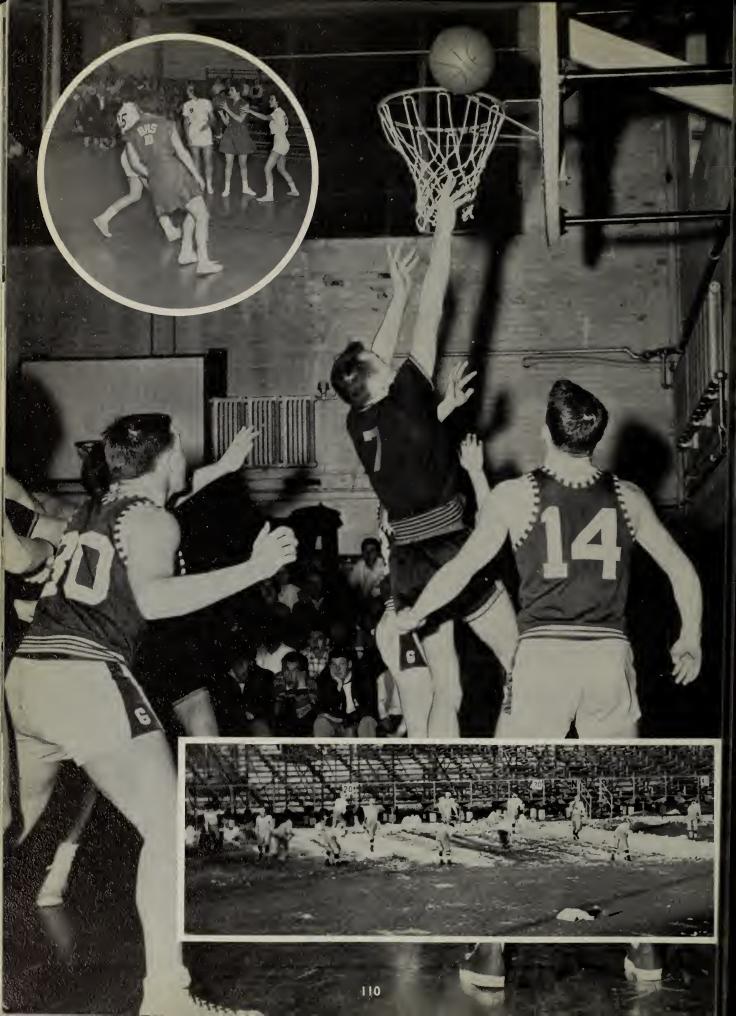

Girls' Basketball

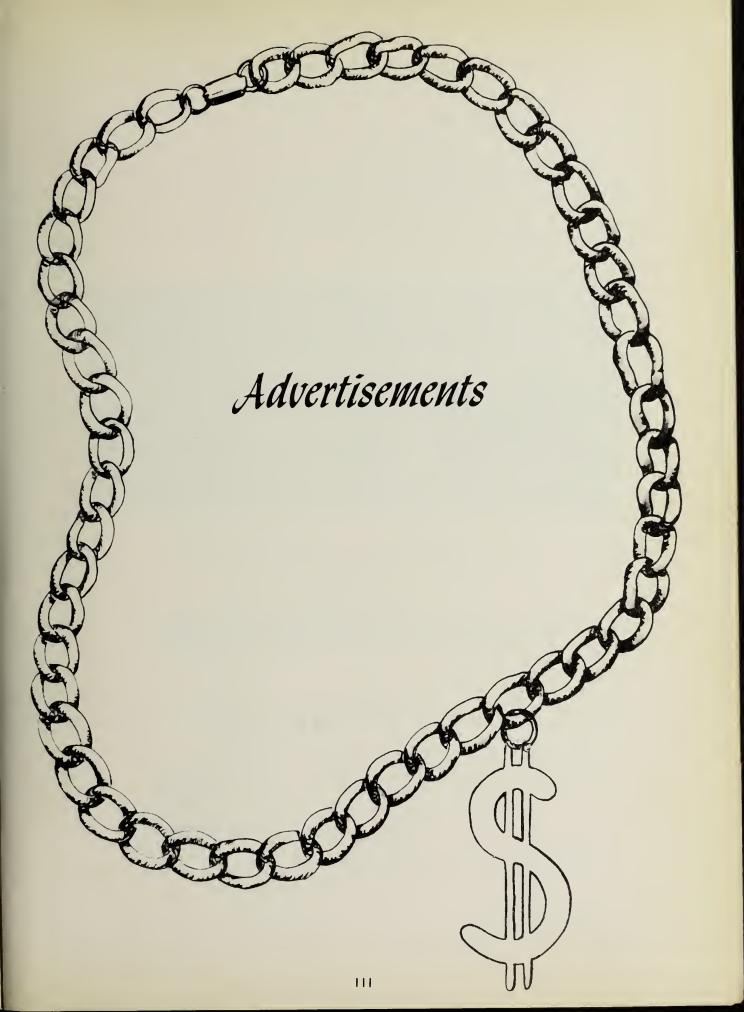

The varsity team, through the hard work of the girls and Miss Mackowsky and unfailing enthusiasm, became the first undefeated girls' basketball team in thirty-five years. Captain Judy Steele, the only Senior forward, took scoring honors for the season, setting, at the same time, a new record. Della Ball and Claire Mahoney, the remaining senior members on the team, helped greatly in keeping the opponent's score in check. The junior varsity tallied in with a five and five record. With the loss of only three members, next year's outlook is promising.

Congratulations, Class of '56
